KETURAH RESERVE SUPERHOMES, DESIGNED FROM THE INSIDE OUT

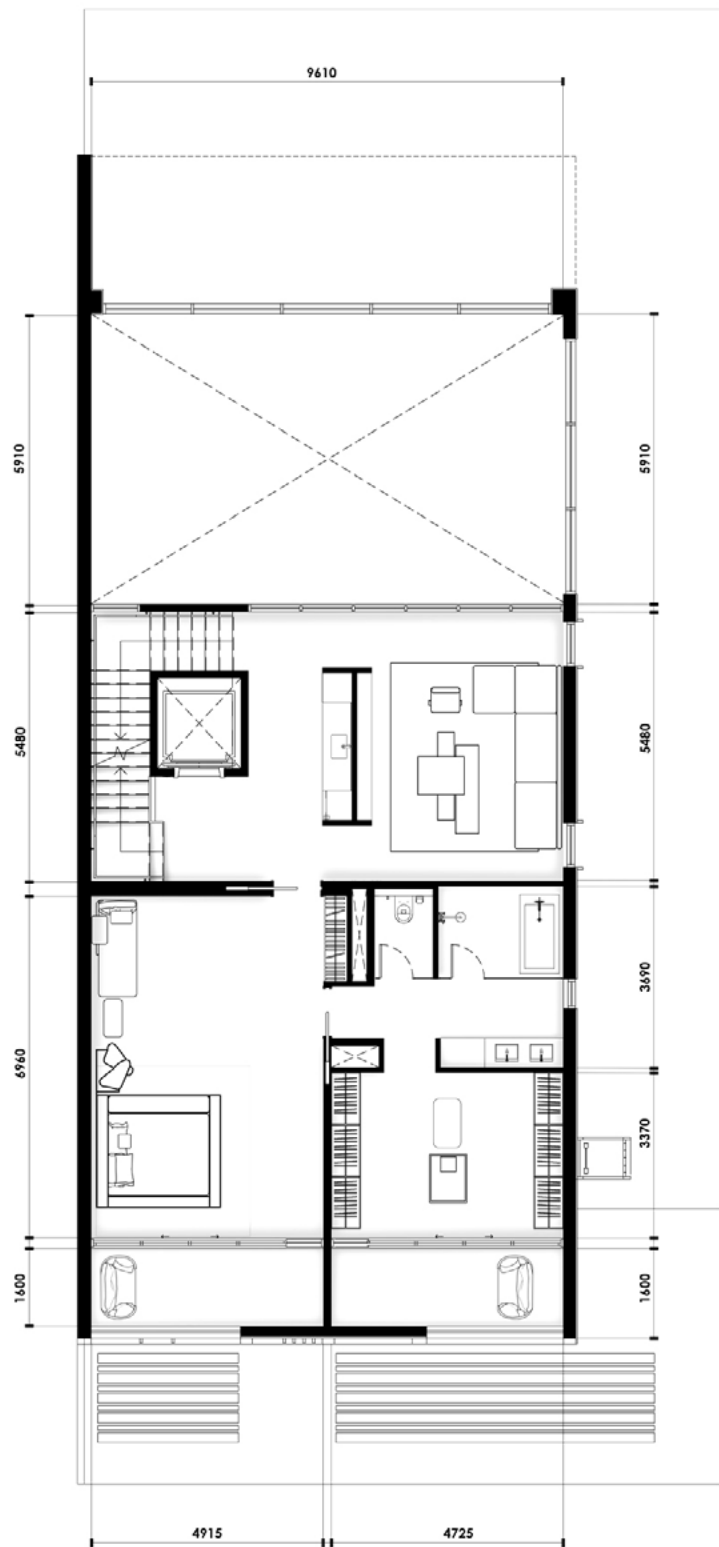

Keturah Reserve is uniquely conceived and designed from the inside out using principles of the five elements, proportions, ratio and light, and natural materials. All residences are fully furnished, with furniture and fixtures custom-designed and produced for each space in natural, raw materials and in neutral colours. They blend perfectly into the interior, freeing the residents' movement and circulation, and elevating their physical and mental well-being.

Keturah Reserve's Super Home™ Concept is designed to transform residents' lives through their experience of the interior and exterior space.
